

## TORRANCE HIGH SCHOOL GIRLS VOLLEYBALL

# ELITE SPONSORS RESERVATION FORM

The 2023 season is upon us and we are looking forward to an awesome season! Unfortunately, however, sports such as girls volleyball cannot be adequately funded through educational budgets. Our program boasts some of the most talented young women in the South Bay and the support they receive from the community, as well as their families, is critical to our success. Your sponsorship and support of these young athletes will give them an opportunity to develop those intangible attributes such as commitment, work ethic, sportsmanship, perseverance, respect and integrity. Along with their educational goals, which are top priority in our program, they have the chance to achieve success as part of a team. Their experiences will benefit them in immeasurable ways as they move forward in life, both in college and in the workforce.

Our goal this year is to raise \$20,000 to help cover program costs such as tournament fees, uniforms, equipment, and coaching stipends. Donations to the Torrance High School Girls Volleyball Program are tax deductible. Please support the Girls Volleyball Program and invest in our student athletes. Thank you for all that you do for our student athletes and for the Torrance High Girls Volleyball Program!
